## DECISION

This is an enforcement action filed by AUTOTRAC COMERCIO E TELECOMUNICACOES S/A before the 5th Civil Court of the District of Imperatriz – MA, as this is indicated as the defendant's place of domicile.

In the decision of ID 192657714, that learned Court declared its lack of jurisdiction to...
The case is being processed, and the records are being sent to this Court.

Well then.

With all due respect, this Court understands itself to be incompetent to hear the present case, of so that any decision that might be rendered would be tainted with nullity.

Let me explain.

That learned Judge based his decision on the fact that the parties had included in the enforceable contract a clause stipulating the jurisdiction of this Court.
Judiciary of Brasilia.

However, the decision, made ex officio, arose after the defendant was summoned and a determination was made to measures, such as the seizure of assets via Sisbajud (IDs 192657729 and 192657718).

Since this is a matter of relative jurisdiction, that learned Court should have recognized outright the abusive nature of filing the lawsuit in that Court, which did not happen.
Furthermore, since the defendant did not allege compliance with the aforementioned choice of forum, jurisdiction to hear the case was extended to that court.

In light of the foregoing, this Court considers itself incompetent to process and judge the present case, which is why I raise a conflict of jurisdiction.

I hereby give this decision the force of an official document to be forwarded to the Superior Court of Justice.

Proceed to trial.
